BILLIE CREEK VILLAGE is a Turn-of-the-Century Outdoor Museum. Visit 30 historic buildings, a tree lined creek, and enjoy a horse pulled wagon ride. Within the Village there are three historic covered bridges, Schoolhouse, General Store featuring local handmade crafts, and a Farmstead where you can watch the children delight in the baby farm animals. Also, in the Village you can see Demonstrating Crafters.

Billie Creek Village is a not-for-profit— organization and collects no tax funds. A voluntary \$5.00 donation to the Village would be most helpful but is not required. All proceeds of this event go toward the preservation of our historic village, enabling us to continue our mission. Thank you for your support.
